

Gift Card Program

HOW DOES THE PROGRAM WORK?

- ⇒ PTO purchases Fry's Gift Cards at regular retail price and then sells them to parents, relatives and friends.
 - ⇒ The card numbers are linked to the PTO and we will receive a rebate check based on the total amount of gift card purchases and reloads.
- Fun Fact: With only 39 parents actively participating in the program between January 30 and July 31, we reached a rebate level of 5% back and earned \$2,063!*
- ⇒ You will not need to purchase multiple cards because the cards are "RECHARGEABLE" up to a value of \$500.
 - ⇒ Fry's Gift Cards are the same as cash and may be used to purchase groceries, prescriptions, gasoline, etc. at Fry's Food Stores.
 - ⇒ The gift card is accepted in all Kroger owned stores throughout the U.S. and can be sent to family and friends out of state and still benefit our PTO as long as the card is recharged.

FRY'S GIFT CARD ORDER FORM

PARENT NAME _____

PARENT PHONE _____

I want to purchase a quantity of ____ @ \$5.00 each for a total of \$ _____
